An Overview

"Inner stillness is the greatest source of creative power in the universe."

Anatole Kononewsky

The musical was inspired by a classical story told by a great spiritual teacher. Its message is about never giving up and giving your best in whatever you are doing, especially when pursuing your dreams.

It is also a heartwarming and uplifting love story.

A production synopsis has been developed incorporating the guitar compositions; songs and instrumental pieces created by Anatole Kononewsky at different times over the last 40 years.

It also incorporates the remarkable inner wonders of metaphysics.

This is based on ancient esoteric teachings, science and wisdom, using reincarnation as a vehicle for the main characters to move through time and space as this universal beautiful story unfolds.

The aim is to create an inspiring, uplifting & entertaining production.

Like nothing ever seen in theatrical productions – mind-blowing!
